## PEFC Product Schedule

This Appendix shall accompany the PEFC certificate. It details the sites and products which are included in the scope of the company's certification. The Certificate Holder must inform Soil Association Certification of all changes to the sites list and/or scope of each site. A new certificate Appendix will then be re-issued. Certificate scope including products and certified sites may also be checked on the PEFC database [www.pefc.org](http://www.pefc.org)

\*This certificate is only valid for sale of FSC products when accompanied by a current product schedule. Validity of this certificate shall also be verified by checking the FSC database: [info.fsc.org](http://info.fsc.org) or by contacting Soil Association Certification: [forestry@soilassociation.org](mailto:forestry@soilassociation.org)

This Certificate is the property of Soil Association Certification Ltd and all copies or reproductions of the certificate shall be destroyed or returned to the Soil Association Certification Ltd immediately, on request.

A description of the products, sites or services that are included in the scope of the certificate may be obtained from Soil Association Certification on request.

This certificate itself does not constitute evidence that a particular product supplied by the certificate holder is FSC certified (or FSC Controlled Wood). Products offered, shipped or sold by the certificate holder can only be considered covered by the scope of this certificate when the required FSC claim is clearly stated on invoices and shipping documents.
